

Program Goals for Adventures in Language IV:

- To provide the students with practice using correct oral and written language skills. The students will master many different grammar and word usage skills, (e.g., subject verb agreement, noun pronoun agreement, correct use of pronouns)
- To provide the students with the skills to determine what makes a complete sentence using subject and predicate and to apply this skill to evaluating their own writing
- To provide the students with practice proofreading for punctuation, capitalization, and usage at an advanced level.
- To provide the students with written expression lessons that will reinforce the skills taught in formal lessons.
- To provide the students with the opportunity to be successful writers through the use of specially designed planning sheets and by participating in the writing process
- To provide the students with the opportunity to become fluent writers within specified time limits
